

# CUVÉE M

## RED

The latest born of the estate, the "Cuvée M", is a confidential and out of the ordinary wine.

This 100% Gamay wine, crafted solely from free-run juice, undergoes a 17-day maceration process with whole clusters. It sheds light on this rare grape in Sancerre, which proudly upholds its place in the estate's vineyard.

100% GAMAY  
CLAY-LIMESTONE SOILS  
HAND HARVESTED
